

Instructions For Filing a Claim with the Metex Asbestos PI Trust

The Metex Asbestos PI Trust (the “**Trust**”) was established pursuant to the Plan of Reorganization of Metex Mfg. Corporation Under Chapter 11 of the Bankruptcy Code dated December 23, 2013 (the “**Plan**”). The Trust was created to process, liquidate and pay valid Asbestos PI Claims in accordance with the Plan and the Metex Asbestos PI Trust Distribution Procedures (the “**TDP**”). Capitalized terms used herein but not otherwise defined shall have the meanings assigned to them in the TDP. A copy of the TDP and Plan are available on the Trust’s website at verusllc.com. As used herein, “**Debtor**” shall mean Metex Mfg. Corporation (f/k/a Kentile Floors, Inc.).

These instructions are intended to assist claimants in filing a complete and valid Asbestos PI Claim (hereinafter referred to as a “**Claim**”) with the Trust. All legal requirements for a valid Claim, however, are set forth in full in the TDP. In the event of an inconsistency between these instructions and the TDP, the TDP shall govern. All claimants are encouraged to thoroughly read and understand the TDP before filing a Claim.

To file a Claim, a claimant must submit a fully completed Claim Form and Certification for the Metex Asbestos PI Trust (“**Claim Form**”) and provide all supporting documentation referenced in the Claim Form. The supporting documentation is discussed below. Please type or print responses on the Claim Form. If you need additional space to provide all relevant information, please attach additional sheets.

Where to Submit Claim Forms:

Claim submissions for the Metex Asbestos PI Trust should be submitted in the following manner:

-Individual Claims

- Electronic Filing Option (user ID and Password required)
verusllc.com (PDF format)
- Mail to: Verus, LLC
 3967 Princeton Pike
 Princeton, NJ 08540

-Bulk Upload Claims

- Electronic Filing (user ID and Password required)
verusllc.com

To submit Claims using the Electronic Filing Option, law firms must first execute the Electronic Filing Agreement. The Electronic Filing Agreement is available for download at verusllc.com. The Trust strongly recommends that law firms make use of the Electronic Filing Option, as it significantly reduces the time and expense required for processing Claims.

Every effort should be made to submit the Claim Form and all required documentation at the same time. Incomplete submissions will not be placed in the first-in-first-out processing queue (the “**FIFO Processing Queue**”) – and therefore will not be reviewed by the Trust – until such time as any missing required information and/or documentation is provided by the claimant. For further information regarding the FIFO Processing Queue, see Section 5.1(a)(1) of the TDP. Questions regarding the Claim Form and claim processing may be directed to:

Processing and Payment of Valid Claims by the Trust

In general, Claims will be processed and a liquidated value will be assigned to valid Claims in the order in which the Claims are received by the Trust, on a first-in-first-out (“**FIFO**”) basis. The Trust assigns a FIFO processing number when the Claim is deemed sufficiently complete to be reviewed (discussed below).

Once a Claim is liquidated, it is placed in line for payment. Prior to payment the Trust will require that the Claimant execute a release. The order of payment is based on the date of the Trust’s receipt of the executed release. If the Claim is made by an official representative, the executed release must be accompanied by Letters of Administration or other proof of the official representative’s capacity (if applicable pursuant to state law) unless such documentation has previously been submitted to the Trust. Subject to the provisions of the TDP, the claimant will receive a payment equal to the Payment Percentage¹ multiplied by the liquidated value of the Claim. If the claimant is represented by an attorney, the payment will be made to the attorney on behalf of the claimant. If the claimant is not represented by an attorney, the payment will be made directly to the claimant.

Required Information and Supporting Documentation

Claims will only be placed in the FIFO Processing Queue for further review by the Trust when they are determined to be “sufficiently complete to be reviewed” per Section 5.1(a)(1) of the TDP. In order to meet the “sufficiently complete to be reviewed” requirement, all of the following information and supporting documentation must be provided:

¹ Claims involving Other Asbestos Disease (Disease Level I) are not subject to the Payment Percentage.

Pursuant to Section 5.3 of the TDP, the Claimant is required to assert the highest Disease Level for which the Claim qualifies. A Claim must satisfy the applicable medical criteria and include the supporting medical documentation as required by the TDP. See TDP §§ 5.3(a)(3) and 5.7(a) for a detailed listing and description of the medical evidentiary requirements by Disease Level.

In general, all diagnoses of a Disease Level shall be accompanied by **either** (i) a statement by the physician providing the diagnosis that at least ten (10) years have elapsed between the date of first exposure to asbestos or asbestos-containing products and the diagnosis, **or** (ii) a history of the Injured Party's exposure sufficient to establish a 10-year latency period. (TDP § 5.7(a)(1))

The Trust must have reasonable confidence that the medical evidence provided in support of the Claim is credible and consistent with recognized medical standards. (TDP § 5.7(a)(2)). Claim Form—Part 5: Occupational Exposure to Asbestos Products

If the Claimant alleges that the Injured Party's asbestos-related disease is a direct result of the Injured Party's occupational asbestos exposure, the Claimant must complete Part 5.

Exposure Evidence

In general, to meet the presumptive exposure requirements for Expedited Review, the Claimant must show:

- For all Disease Levels, Debtor Exposure (as described below and as set forth in the TDP) prior to December 31, 1982.

If the Claimant cannot meet the presumptive exposure requirements for a Disease Level for Expedited Review, the Claimant may seek Individual Review. For further details regarding exposure evidence required for a valid claim, see Sections 5.3(a)(3) and 5.7(b) of the TDP.

5.1: Debtor Exposure

“**Debtor Exposure**” is defined in Section 5.7(b)(3) of the TDP as meaningful and credible exposure, which occurred prior to December 31, 1982, to asbestos or asbestos-containing products supplied, specified, manufactured, installed, distributed, sold, maintained, or repaired by the Debtor and/or any entity, including any Debtor contracting unit, for which the Debtor has legal responsibility in circumstances under which the asbestos contained in the

products was disturbed (e.g., as a result of breaking, cutting or sanding the asbestos-containing products).

Provide information for each location at which the Injured Party alleges Debtor Exposure. If the duration of the Injured Party's Debtor Exposure is not sufficient to meet the other exposure criteria (Significant Occupational Exposure or cumulative occupational exposure as required for the Disease Level in question), provide the information requested in Part 5.1(a) and (c) of the Claim Form regarding other asbestos exposure to satisfy the applicable exposure criteria. List each site, industry and occupation combination separately. Provide the complete name and location of each individual site. Attach additional copies of the relevant page(s) if more space is required.

(a) Provide the site where the alleged exposure occurred, the dates exposure began and ended, the Injured Party's occupation or job title, and the industry in which the alleged exposure occurred.

Identify the names of all asbestos-containing products or materials to which the Injured Party was exposed and for which the Injured Party alleges the Debtor is legally responsible. If the Injured Party's occupation/job title does not appear on the Presumptive Occupation/Job Title list available at verusllc.com.

(b) describe with reasonable specificity the activity the Injured Party was engaged in when he or she allegedly came into contact with an asbestos-containing product for which the Debtor has legal responsibility and how the asbestos contained in the product was disturbed.

(c) Attach documentation (i.e., an affidavit, a sworn statement, an invoice, employment, construction or similar records or other credible evidence) to establish meaningful and credible Debtor Exposure prior to December 31, 1982, and, as applicable, Significant Occupational Exposure or five years cumulative occupational exposure to asbestos. See TDP Sections 5.7(b)(3) and 5.7(b)(2), respectively, for the criteria to establish Debtor Exposure and Significant Occupational Exposure.

5.2: Significant Occupational Exposure

Check the appropriate response(s) to indicate the basis of the Injured Party's Significant Occupational Exposure, as applicable for the Disease Level claimed. See Section 5.7(b)(2) of the TDP for the criteria to establish Significant Occupational Exposure.

5.3: Complete Part 5.3 if the Injured Party is filing an Extraordinary Claim.

5.4: Check the appropriate response to indicate whether the Injured Party was exposed to an asbestos-containing product or conduct for which the Debtor has legal responsibility which occurred outside of the United States and its Territories and Possessions and outside the Provinces and Territories of Canada. If the response is yes, provide the requested information about the foreign jurisdiction and alleged exposure.

Claim Form—Part 6: Secondary Exposure Claims

Part 6 must be completed if the Claimant alleges that the Injured Party's asbestos-related disease is a result of asbestos exposure through an Occupationally Exposed Person. See Section 5.5 of the TDP for the criteria to establish a Secondary Exposure Claim.

List each site, industry and occupation combination separately. Provide the complete name and location of each individual site. Attach additional copies of the relevant page(s) if more space is required.

(a) Provide the site of alleged exposure, the dates exposure began and ended, the Occupationally Exposed Person's occupation or job title, and the industry in which the alleged exposure occurred.

(b) Identify the names of all asbestos-containing products or materials to which the Occupationally Exposed Person was exposed and for which the Claimant alleges the Debtor is legally responsible. If the Occupationally Exposed Person's occupation/job title does not appear on the Presumptive Occupation/Job Title listed available at verusllc.com, describe with reasonable specificity the activity the Occupationally Exposed Person was engaged in when he or she allegedly came into contact with an asbestos-containing product for which the Debtor has legal responsibility and how the asbestos contained in the product was disturbed.

6.3 Significant Occupational Exposure

claimed. See Section 5.7(b)(2) of the TDP for the criteria to establish Significant Occupational Exposure.

6.4 Documentation of the Occupationally Exposed Person's Exposure

Attach documentation (i.e., an affidavit, a sworn statement, an invoice, employment, construction or similar records or other credible evidence) for the Occupationally Exposed Person to establish meaningful and credible Debtor Exposure prior to December 31, 1982, and, as applicable, Significant Occupational Exposure or five years cumulative occupational exposure to asbestos. See TDP Sections 5.7(b)(3) and 5.7(b)(2), respectively, for the criteria to establish Debtor Exposure and Significant Occupational Exposure.

Claim Form – Part 7: Individual Review Information

Part 7 must be completed only if the Claimant is seeking Individual Review of the Claim, except that Exigent Hardship Claims electing to be processed under Expedited Review must complete Part 7.2. Please refer to Section 5.3(b)(2) of the TDP for the valuation factors considered in the Individual Review process.
